Lays down under what circumstances a matt's properties can be brought under Govt. management. The swamigat of this matt who ~~was~~ ^{was} sufficiently old died, and has appointed another man in his place. The qualifications of the man whom he has appointed as his successor will have to be enquired into and rules for the succession of mathadhipatis will have to be applied in due course. But no reason seems to exist for 'seizure' of the matt properties. It wd. have been enough if the Dy. The late guru wanted to select a suitable

desirous to publish a notice in
the manner suggested. It is certain
to become the subject of hostile
criticism. Again it is not necessary
to show such an elaborate public

Govt would be amply met if
the DC makes enquiries of the
people who object to the present

Final Note by the Second Member of Council.

Subject:—

Appointment of a successor to the Swamigalu of Sri Kudli Sringeri Matt who passed away on the 15th March 1924.

Page 7 of
Office Notes

In my final ^x note dated 22nd March 1924 the demise of Sri Shankara Bharathi Swamigalu of the Sri Kudli Sringeri Matt, Shimoga Taluk was reported for His Highness' information. It would appear that just before his death, the swamigalu entrusted the duties of the Matt to the Sarvadhikari Vedomurthi Sivaganga Narasimha Sastry and in the words of the Collector of Dharwar in his letter dated 30th May 1924 to the Deputy Commissioner of Shimoga District "nominated him as his successor and actually made him an ascetic according to the Shastras while he was still alive and in his senses, in the presence of a large number of people." In a ^x Srimukha addressed to Government dated 17th April 1924, the newly ordained Swami under the titular name of Sri Vidya Shankara Bharathi Swamigalu intimated that it was the intention of the late Guru to select as his successor the most eligible candidate from among the Brahmachari disciples of the Mutt and obtain the approval of His Highness to the nomination, but that as he took suddenly ill he ordained him as his successor and entrusted him with the duty of selecting a competent successor to the Peetha and that it was proposed to summon a meeting of the disciples and select a competent candidate in consultation with them. This Srimukha having been forwarded by the Government to the Muzrai Commissioner, he ^x wrote to the agent of the Mutt requesting him to depute under instruction from the Swami-designate a competent person to appear before the Deputy Commissioner, Shimoga District and explain the Swamy's views about the further action contemplated by him to convene the meeting for selecting a suitable candidate. The Deputy Commissioner then published a ^x notice that the question of selecting

a suitable successor would be taken up for consideration by him on 5th July 1924 and that any disciples of the Mutt who might intend to adduce evidence might do so on that date. As it came to the notice of Government that the notice was not happily worded in as-much as the Deputy Commissioner had nothing to do with the question of selecting a suitable successor to the Mutt but had only to ascertain and report if the person who claimed to succeed to the Mutt was really nominated by the late Swamy and ~~WA~~ was qualified and fit for the position, this was pointed out to the Muzrai Commissioner in Revenue Secretary's letter dated 30th June 1924 and he was instructed requested to instruct the Deputy Commissioner to confine the enquiry to the above points and report the result. Again the Deputy Commissioner submitted a revised draft notice proposed to be published in the Gazette. The Muzrai Commissioner was again informed in this office No. 427/Muz.240-23-17 dated 18th September 1924 that there was no necessity for holding any elaborate public enquiry as contemplated by the Deputy Commissioner and that the requirements of the case would be amply met if the Deputy Commissioner made enquiries of the people who objected to the present Swami and also of his adherents and supporters with a view to ascertain if the Swamy had been duly elected and ordained and if he was qualified for the place. He was asked to hold such an enquiry and submit a report of the result before the end of September 1924. The Deputy Commissioner then sent a notice to the Swamy himself enquiring about the extent of his scholarship and asceticism and his intentions as to his successor to the Peetha. As this communication was not in good taste and was liable to be resented and as the correspondence showed that the handling of the case by the Deputy Commissioner had not been quite satisfactory; the Muzrai Commissioner was, with the concurrence of the Dewan, requested in this office communication No.720 dated 18th November 1924 to take the matter into his own hands, complete the enquiry himself and submit an early report of the result. Since then a Shri-mukha dated 11th December 1924 from Sri Vidya Shankara Bharathi Swamigalu (i.e. Vedamurthi Narasimha Sastri in his Poorvasrama) and attested by the Magistrate of Ranibennur has been received stating

that on account of his serious illness he has handed over the Asramam to Vedamurthy Udayagiri Subrahmanya Sastry under the titular name of Valakesvara Bharathi Swamigalu and requesting that the succession may be recognized. A largely signed petition purporting to be from the disciples of the Matt has also been received containing the proceedings of a meeting of the disciples praying for the recognition of the newly elected Swamy. As these petitions were about to be sent to the Muzrai Commissioner for enquiry and report, a letter dated 26th December has been received from him stating that he had also received on the 4th December 1924 a Srimukha from Sri Vidya Shankara Bharathi Swamigalu similar to the one which the Swamigalu had addressed to Government, and that since then he has received information that the Swamigalu had - breathed his last on 15th December 1924, that the question of his succession to the Peetha had ceased with his death, that the matter now for consideration and orders was that of the succession of Brhma Sri Subrahmanya Sastry of Udayagiri referred to above and that he will submit a report in the matter in due course by about the middle of January next. On receipt of the report promised by the Muzrai Commissioner a final report about the case will be submitted for the orders of His Highness. Meanwhile the above account of the action taken in the case till now is submitted for the gracious perusal of His Highness.

Sir,

I have the honor to submit herewith for the information of Government copy of letter P.C.No.673/23-24 dated 17th March 1924 from the Deputy Commissioner, Shimoga District, intimating that the Sri Swamigalu of the Sri Kudli-Sringeri Matha breathed his last on the 15th March 1924 at Udagatti in Ranibenmur Taluk and that it is alleged on oath that the Sarvadhikari has now occupied the Peeta -- without authority. The Deputy Commissioner further reports that in the above circumstances he has instructed the Treasury Assistant Commissioner in charge of the Shimoga Taluk to seize the Matha -- properties under Sec.25 clause (2) of the Muzrai Regulation.

2. More definite and authentic information about the alleged -- succession to the Peeta has to ^{be} collected after corresponding as may be necessary with the matt staff in camp and if need be, with the Government authorities at Udagatti, and a full report submitted to Government before definite action under section 25 (2) is recommended to Government for favour of according sanction to the same. It --- would have been sufficient if proper and satisfactory arrangements had been made for the proper watch and ward of the Matha properties pending the due recognition under standing orders of successor to the Peeta. The Deputy Commissioner will be requested to submit ^(very early) a further and fuller report in the matter which on receipt will be submitted to Government.

3. In connection with this, I beg to state that on a petition ---

petition received in March 1923 from some of Matha Sishyas residing in Bangalore to the effect that the Swamigalu who was in indiffer^e health was contemplating ~~to~~ to nominate a successor, the Deputy --- Commissioner was requested to submit a report and to invite the --- attention of the Matha Authorities to the Standing Orders of Government regarding the succession of gurus to Mathas. The Deputy Commissioner having^d reported that the Swamigalu who was then at Udugatti was in good and perfect health and did not contemplated^d nominating a successor, he was requested to suspend further action in the matter and to advise His Holiness and his chief devotees regarding the need for taking action in the matter at an early date^d, the Swamigalu was advanced in years.

Letter No.U.T.N/N.S.241 dated 30th May 1924 from the Collector of Dharwar to the Muzrai Commissioner in Mysore, Bangalore.

Subject:-- Succession to the Shree Shankar Bharati Swami at Udagatti.

"With reference to your No.C.983/23-24 of 14th April 1924, I have the honor to state as under:--

My enquiry shown that Shree Shankar Bharati Swami died at -- Udagatti on 15th March 1924 and that he nominated his sarvadhikari -- Shrivaganga Narshinh Sastri as his successor a few hours before his death and actually made him an ascetic according to the Shastras -- while he was still alive and in his senses, in the presence of a -- large number of people. It appears to me that the nomination was duly made by the late Swami and there appears no objection to ---- recognize the succession. It is reported that the Swami was unable to obtain before-hand the sanction of your Government to the nomination made by him within the short space of time during which he was ill. I therefore think it inexpedient to make an inventory of the Math moveable properties as suggested by you."

In continuation of this office letter C.No.983 of 23-24 dated 9th instant regarding the succession to the Sri Kudli-Sringeri Matha, I have the honor to forward herewith copy of letter letn.C.No.673/23-24 dated 5th June 1924 together with a copy of its enclosure from the Deputy Commissioner, Shimoga District, intimating that Saturday the -- 5th July 1924 has been fixed for examining the agent of the Sri Kudli-Sringeri Matha about the authorship of the two communications sent with your letters of the 2nd and 14th April 1924, and for hearing such of the disciples as are anxious to adduce evidence or make any statement in -- this connection.

2. I may, however, mention here that the notice is not very happily worded in as much as the question now under consideration is not the -- selection of a suitable successor to the Peeta rendered vacant by the -- demise of Sri Sankara Pharati Swamigalu but it is to consider the ----- eligibility and fitness of the person that has actually succeeded to the Peeta and whether he had his "Upadesha" from the late Swamigalu, as is alleged to have been the case. This aspect of the question will, if approved, be communicated to the Deputy Commissioner so that there should be no confusion in the issues during the enquiry.

Sir,

With reference to your letter No.C. 983 of 23-24 dated the 16th June 1924 regarding the Kudli-Sringeri Mutt, I am directed to state that Government agree with the view taken by you that the notice issued by the Deputy Commissioner, Shimoga, on the subject is not happily worded in as much as he has nothing to do with the question of selecting a suitable successor to the Mutt. All that he has to do is to ascertain and report if the person who ^{claims} ~~claim~~ to succeed to the Mutt ^{on the ground of his having been} ~~was~~ nominated by the late Swamigalu ^{as he really is nominated} ~~as represented by him~~ and if he is qualified and fit for the purpose. I am to request you to instruct the Deputy Commissioner to confine ^{his} ~~the~~ enquiry ^{only} to the above points ^{and} and to report the result for the information and orders of Government at an early date.

SIR

With reference to your letter No.358/M.F.240-23-15 dated 30th August 1924, regarding the succession to the Sri Kudli-Sringeri Matha, I have the honour to state that the Deputy Commissioner of the Shimoga District has been requested to finish the enquiry and submit his final report in the matter as early as possible after the 20th instant as it is reported that the enquiry has been fixed for that date.

2. In connection with this enquiry, I beg to invite reference to an article published in the Mysore Chronicle of the 31st August 1924 under the heading "A blow to the Swami's right of appointing a successor to his Matha" taking objection among other matters- to the notice published in the Mysore Gazette of the 12th June 1924 calling upon such of the disciples of the Matha who either intended to adduce evidence or make any statement to appear before his Court on 5th July 1924.

3. The discrepancy in the wording of the notice was already brought to the notice of Government in my letter of the 16th June 1924 and the instructions conveyed in your letter No.1880/M.F. 240-23-12 dated 30th June 1924 were communicated to the Deputy Commissioner for information and guidance. In his communication dated 6th September 1924 the Deputy Commissioner while intimating

§ that the enquiry has all along been confined only to the two points mentioned in your letter has sent a modified notice for publication in the Gazette.

4. The correspondent of the Chronicle does not seem to be aware of the standing order that every succession to a Matha enjoying Government grants in land or money or honours granted by the Sovereign should receive the approval of His Highness the Maharaja and that the enquiry that is now being conducted is preliminary to such sanction being accorded.

5. I beg to solicit the permission of Government to publish the modified notice in the Gazette and to suggest that if Government think that a true version of the scope of the present enquiry should also be published, a communique may kindly be arranged to be published in the News Papers through the Publicity Officer.

I have the honour to be,

Sir,

Your most obedient servant,

I propose to issue modified notices as per draft copies enclosed for your approval. In case you are pleased to pass these notices, I request you to kindly send them for publication to the Compiler, Mysore Gazette and local news-papers.

The enquiry is posted to the 20th instans, and the result will be communicated thereafter.

Shimoga District,

Dated Shimoga 6th September 1924.

N o t i c e.

In modification of this office notice dated 5th June 1924, it is hereby notified for the information of those concerned as follows:-

It has been alleged on oath before the Undersigned that the Swami who is stated to have been ordained by the deceased Swamigalu to the Peetha of the Sri Kudli Sringeri Matha, was not duly nominated by the late Sri Sankara Bharati Swamigalu of the said Matha and that the present occupant is not qualified for the exalted office. The nomination of the present Swami, having been thus challenged, it has become necessary, for this court, to enquire into the above allegations with a view to submit a report to the Government of Mysore, on the question of recognising the present succession or otherwise, for purposes of continuing the rights and privileges allowed to the Matha by the Mysore Government. Any person interested or concerned in the enquiry may appear before this court on the 20th September 1924, in person or by duly authorised agent, and may adduce evidence relevant to the enquiry.

Respected Sir,

We the disciples of The Sri Kudli Sringeri Mutt, residing in Bangalore, beg to submit the following few lines to your kind consideration and favourable disposal.--

In connection with the selection of a suitable successor Swami to the said Mutt, we had the privilege of appearing before the Deputy Commissioner, Shimoga, on the 5th 7 14 two who was pleased to frame the following issues viz.--

1. Whether the present incumbent has been duly ordained successor to the Gadi?
2. Whether he is competent both by learning and other qualifications for the pontifical seat?

Until these issues settled and the present Swami's consecration is recognised, the Government of Mysore have taken the property belonging to the Mutt into their possession.

It has now come to our knowledge that the property of the Mutt outside the Mysore State i.e. in the Dharwar and Bijapur Districts, is being actually mismanaged and some of the valuable movable properties have been disposed of by sale by the present Swami.

We therefore humbly beg that you will be kind enough to recommend to the Collectors of Dharwar and Bijapur Districts for taking the property both movable and immovable into their direct management till the question is decided by the Government of Mysore.

Bangalore,

Dated 14th September 24.

We beg to remain,
Respected Sir,
Your most obedient servants.

Sir,

Adverting to correspondence ending with your letter No.C.983 dated 25-10-24 ~~submitting xxxxxx~~ regarding ^{the} succession to the Kudli Sringeri Matt, I am directed to state that the late Swamigalu of the Matt passed away so long ago as 15-3-1924, and that while recording the late Swami's demise with regret, you were requested to expedite submission ~~of~~ of the further and fuller report promised by you in the matter. After further correspondence it was brought to notice that the Collector of Dharwar who was addressed by you regarding the preparation of ~~the~~ ^{an} inventory of ^{the} Matt moveables so as to guard them against loss, replied ^X to you that the late Swamigalu "nominated his Sarvadhikari Sivapanga Narasimha Shastri as his successor a few hours before his death and actually made him an ascetic according to the Shastras while he was still alive and in his senses, in the presence of a large number of people. It appears to me that the nomination was duly made by the late Swami and there appears no objection to recognise the succession. It is reported that the Swami was unable to obtain beforehand the sanction of your Government to the nomination made by him within the short space of time during which he was ill. I therefore think it inexpedient

"to make an inventory of the Matt properties as suggested by you".

2. It was ~~again~~ pointed out to you in this office letter No. 1880/Muz.240-23-13 dated 30-6-1924, in connection with a notice published by the Deputy Commissioner in the Gazette and in some of the news papers, that the notice was not happily worded inasmuch as he had nothing to do with the question of selecting a suitable successor to the Matt and that all that he had to do was to ascertain and report if the person who claimed to succeed to the Matt was really nominated by the late Swamigalu and, if he was qualified and fit for the ~~purpose~~ ^{position}. You were accordingly requested to instruct the Deputy Commissioner to confine the enquiry to the above points and report the result to Govt. for orders. Further in connection with a revised draft notice suggested by the Deputy Commissioner to be published in the Gazette, you were informed in this office letter No. 427/Muz.240-23-17 dated 18-9-1924 that there was no necessity for holding any elaborate public enquiry and that the requirements of the case would be ~~amply~~ met if the Deputy Commissioner made enquiries of the people who objected to the present Swami and also of his adherents and supporters, with a view to ascertain if the Swami had been duly elected and ordained and if he was qualified for the place. He was asked to hold such an enquiry quietly and submit a report of the result before the end of September 1924.

3. Instead of carrying out the orders of Govt. the Deputy Commissioner has addressed

a notice to the Swamigalu himself enquiring about the extent of his scholarship and asceticism and his intentions as to his successor to the Pith. ^{What} The communication is, (Govt. consider) not in good taste and ^{is} liable to be seriously resented. The handling of the case by the Deputy Commissioner has, therefore, been from the commencement far from satisfactory, and Govt. consider that you should take the matter into your own hands ^{at once} and make the enquiry yourself and submit a ^{report} of the result thereof to Govt. ~~Meanwhile and pending the receipt of your report, the recognition of the Swami by H.H.'s Govt., the Inam and other grants made to the Matt. by Govt. may be withheld. I am~~

accordingly. I ~~am~~ ^{may} to request that the report called ~~be made by you and a report~~ ^{be made by you and a report} for above may kindly be submitted so as to reach ~~Govt. by the 15th Dec. 1911.~~ ^{15th Dec. 1911.} this office not later than the 30th instant.

Sir,

From the enclosed copy of the telegram dated 30-11-24 from the Sarvathikari of Kudli Sringeri Matta ~~six~~to Mahamahopadhyaya Virupax Shastri of Hangal, it will be seen that a fresh installation of yet another person to the Peetha is to come off on 1-12-1924.

We humbly beg to bring to your kind notice that, when the question of succession of the present Vidya Shankar Bharathi of Kudli Sringeri Matta residing at Udagatti, Ranebennur Taluk, Dharwar District, is still pending elaborate enquiry before the Muzrai Commissioner on 6-12-24, the present course of action adopted by the Swami in installing a fresh person to the Peetha without the formal approval of Government and the consent of the disciples interested in the welfare of the Matta, is highly irregular and objectionable.

Under the above circumstances, we humbly pray that immediate suitable action may be kindly ordered to be taken in the matter to prevent future complications and troubles that would naturally arise from this illegal action of the Swami.

We beg to remain,
Sir,
Humble Disciples of the Matta,

Brahma Sri Vedamurti Sivaganga Narasimha Sastry who succeeded the late Guru (Sri Sanlara Bharati Swamigalu) under the titular name of Sri Vidya Sanlara Bharati intimated to me by a Srimukha dated 28-11-1924 but received by me on the 4th December 1924 that on account of his failing health and extreme weakness and the consequent inability to attend to the daily round of duties, he was giving Asrama to Brahmasri Vedamurthi Subrahmanya Sastry of Udayagiri in the Nellore District on 1-12-1924 and making him his successor to the Peeta. The Swamy's Agent xx who had come on the 6th instant said that the necessary initiatory and ordination ceremonies took place on the appointed day. A confirmatory Srimukha has since been received and the same is submitted herewith.

3. Information has also reached me that Sri Vidya Sanlara Bharati breathed his last at about 7.15 P.M. on Monday the 10th December 1924. All considerations connected with his succession to the Peeta will now cease. The only question that now remains for consideration and orders is about the succession of Brahmasri Vadamurti Suorahmanya Sastry of Udayagiri and his fitness to occupy the high position. It is to arrive at a decision on these points that a month's time has been given to the disciples who objected to the succession of the late Sri Vidya Sanlara Bharati. I have been making independent enquiries of the Matha Sishyas in Bangalore and I have also asked the Agent to come and see me again between the 28th and 31st instant.

I hope therefore to be able to submit my final report in the matter by about the middle of January 1925.

I have the honour to be,

Sir,

Your most obedient servant,

N. M. M. M.

N. M. M. M. Muzrai Commissioner.
